

Junior Face Membership

## Application Information

Dear Prospective Junior Member,

We are very excited that you have asked about how to join the junior section of FACE. We expect you have a friend or relative who is a member already and they will help you with these forms.

The junior application form and test are split into two age groups but both are classed as "Junior Membership" once you have passed.

Section 1 is for under 12's (meaning you have **not** yet had your 12<sup>th</sup> birthday.)

Section 2 is for those who **have** had their 12<sup>th</sup> birthday but are under 16.

At the age of 16 you can apply to become a member of the adult section of FACE, as you are no longer eligible for junior membership.

Enclosed are all the forms and information sheets you will need to apply for Junior Membership. We have listed a few points to make your joining FACE as easy and clear as possible but you may need an adult to help you with the following:-

- **You need to send your application form and a £10 certification fee to your area rep, (rep information to follow). S/he will contact an adult FACE member, who in turn will contact you and your parent/guardian to arrange a certification date.**

After the certification, your application will be sent back to your rep, usually within two days, who will add their comments and observations, and send the forms to the Membership Administrator, again, usually within two days.

You will be notified as soon as possible by the Membership Administrator of the result, and if you have passed, you will be sent your junior membership pack which includes your certificate, a tee shirt, pencil, a back copy of the FACE magazine and a few other goodies. As a junior member you will then be asked to pay an annual fee of £5. You will also receive an electronic version of our digital magazine.

## Junior FACE Certification Requirements

- A £10 certification fee is payable in advance to your rep or direct to FACE (sorry, not on the day of the test)
- A suitable date and location will be agreed with the certicator.
- Applicants are encouraged to use their own painting kit if they have one, or an adult member's, with their permission.
- Pictures or books are allowed, but must not be constantly referred to.
- Please endeavour to provide your own models.

You will be notified of your result as soon as possible after certification and you will be invited to join FACE Junior Membership if you are successful.

<b>BOX A</b> <b>White Base Face</b>	<b>BOX B</b> <b>Tiger</b>	<b>BOX C</b> <b>Blended Base</b>
Suggestions: Vampire Clown Dalmatian Geisha (Japanese lady)	At least two colours to be used in the base.	At least two colours to be blended. Suggestions: Tropical sunset Princess Abstract

NB: Do not use pearl or interferenz paint in your test as the light reflections can mean they will not show a clear base in photographs. For the same reason, please do not add glitter to the design until all the assessment photos have been taken.

### Under 12's

Choose **one** face design from one of three boxes A, B or C above.

You have up to **25 minutes** to paint this face.

You can refer to a picture if you need to.

### 12's and over

Choose **one** face design from **two different** boxes above.

You have up to **25 minutes** to paint each face. (A total of 50 minutes.)

You can refer to pictures if you need to.

## Junior FACE Certification Requirements cont.

The examiner will look to see if you have done all the following (all ages).

1. **Sponge work:** application of a smooth base evenly applied, up to and over the eyes. well blended, not patchy and with neat edges, like a mask.
2. **Brush work:** the positioning of neat and varied strokes.
3. **Timing:** each face must be completed within 25 mins.
4. **Design:** a good overall appearance, and passing the 'what is it?' test.
5. **Hygiene and safety:** to demonstrate good practice backed up by your answers on your application form.

## Safe face painting practice

Only use face paint products that comply with EU & FDA regulations.

Follow the advice on the paints.

It is advisable to ask whether a child/adult has had their face painted before.

It is not recommended that children under the age of 2 are painted.

It is recommended that children aged 2 to 3 years have a small design on the cheek, hand or arm only.

Children/adults with a cold sore, eczema, open cut or any infectious conditions should not be painted.

It is recommended that painters use a clean sponge for each face painted.

Change face painting water frequently.

Maintain a high standard of hygiene by keeping yourself and your kit clean as you work.

Be careful when using products near eyes.

Only use cosmetic grade glitter.

Ensure faces are clean. Remove any dirt and food and be aware of runny noses.

Do not add disinfectant or any other hygiene product to face painting water as professional face paints contain agents which act against yeast, mould and bacteria.

It is recommended that face paint is removed with mild soap and water.
